

## Explosion-proof Knee Switch D10/KS

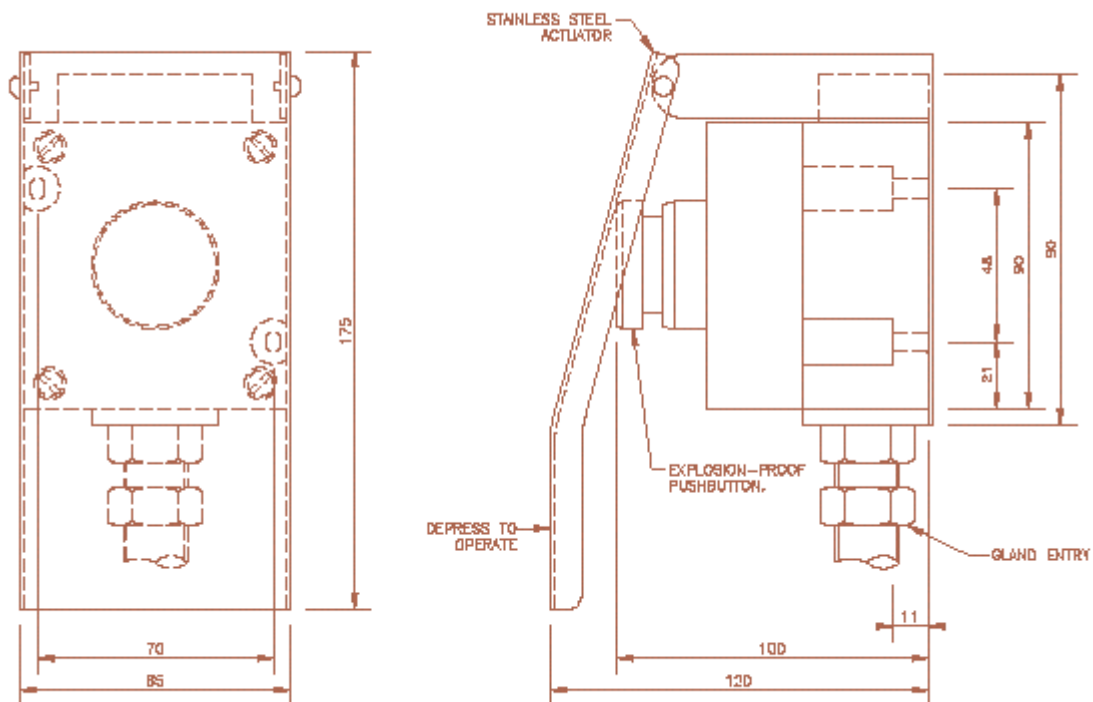

The D10/KS is an explosion proof momentary 'paddle' activated switch designed to facilitate hands free control of a voice communication package.

The unit is Zone 1 certified and weatherproof to IP66 and is specifically packaged for reliable usage in aggressive environments e.g. Drill floor application on an offshore oil rig.

### Key Features

- ◆ All glass reinforced construction - corrosion resistant
- ◆ Activator is stainless steel
- ◆ EExe cable gland entry - low cost termination
- ◆ Light weight - simple installation
